CLOSING BENEDICTION

Beloved of the Light, I ask you in the Name of your "I AM Presence" to daily make the Salutation to the Sunrise of your own "Mighty I AM Presence"; for that is the Sunrise of the Great Central Sun. Receive Its Mighty Outpouring daily, many times a day, and give recognition only to Light, the Mighty Light of that "Glorious Presence." Out of Light came all that is. Go into Light, and you shall have all that is; for the Light ever abides everywhere as the Great Storehouse and the Great Treasure Chest of the Universe. Within are Gifts unspeakable—indescribable in Their Magnificence and Beauty. Struggle not longer among the limitations of the outer self when above you and around you stands that "Mighty Presence," your own "I AM Presence," the Host of Ascended Ones, and the Angelic Host, to open the Floodgates of the Light and release into your hands and use whatever you require for the fulfillment of your Perfection.

Bless your hands with Light, for they are the instruments by which you may receive these Gifts of Light. Bless your feet with Light, for they are the pillars and the Conscious Understanding upon which you build your Temple of Light. Bless every atom of your being and world with a Golden Flame of Divine Love, and expand It into a Sun of Light of such Dazzling Radiance, such Infinite Power, such Blazing Beauty and Glory that all else fades before the Majesty of Its Mighty Presence. With all the Love of my Heart I enfold you in that Eternal Garment of Limitless Light. Accept the Fullness of It, and then pour out without limit the complete Love from your "I AM Presence"—and the Universe is yours to command and to enjoy. We ask you to spread Joy everywhere you go, to pour Love everywhere you go, and to call forth the Limitless Light of the "Mighty I AM Presence" and the Ascended Ones everywhere you go; for that is all this blessed world needs, just more Light and more Love, and you can call that forth without limit.

I enfold you in my Mantle of Light and Love, that you may go forward to your Eternal Victory and pour forth the Light without any limit whatsoever, that the Earth may be the Great Dazzling, Blazing Presence of the Diamond Heart. With all the Love at our Command, we seal you within Its Glorious Beauty and Perfection. And even this hour you can have your Ascension into the Light, the Light that casts no shadow and that is Eternal. In the Limitless Love and Light of my Heart, I enfold you forever.

Thou "Mighty I AM Presence" from the Heart of the Great Central Sun! We face Thy Sunrise! Mighty God in me! I face Thy Eternal Sunrise and receive Thy Mighty Radiance and Activity visibly manifest in my experience now! *The "I AM" Discourses*, v. 4: 7
